At this point, you are all signed up! Now just come along to club night- Wednesday @ 5:45pm and listen for instructions from our announcer.

We swim freestyle every week, and rotate through backstroke, breaststroke and butterfly. We race longer distances occasionally.

Please note that parents of swimmers are expected to assist with timekeeping, marshalling and BBQ on club nights. Please do not assume that our committee members will do everything as this is not the case and club nights will not proceed until we have volunteers in all positions.
